

This privacy notice discloses the privacy practices for <https://zendt.org>

This privacy notice applies solely to information collected through our website and other web services (such as Explorer and Github Pages), except where stated otherwise. It will notify you of the following:

- What information we collect;
- With whom it is shared;
- How it can be corrected;
- How it is secured;
- How policy changes will be communicated; and
- How to address concerns over misuse of personal data.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number (if applicable) provided on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data

Registration

Currently, there is no web service that requires user registration in order to use ZENDT. Thus, we are not requiring ANYONE to provide and/or submit any email or personal information such as name, phone number and address.

Security

We take precautions to protect your information. WE DO NOT collect sensitive information (such as credit card data). The website is secured. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for “https” at the beginning of the address of the web page.

It is important to mention that no one will be ever able to see information inside your wallets/accounts. Accounts/Wallets are protected by private keys that only can be accessed by its the user/owner.

Cookies

We use “cookies” on this site. A cookie is a piece of data stored on a site visitor’s hard drive to help us improve your access to our site and identify repeat visitors to our site. For instance, when we use a cookie to identify you, you would not have to log in a password more than once, thereby saving time while on our site. Cookies can also enable us to track and target the interests of our users to enhance their experience on our site. Usage of a cookie is in no way linked to any personally identifiable information on our site.

Links

This web site contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site/mobile wallet and to read the privacy statements of any other site that collects personally identifiable information.

If you feel that we are not abiding by this privacy policy, you should contact us immediately through email via zendtdev@gmx.com

Terms of Use

The software you are about to use functions as a free digital wallet. The software does not constitute an account where ZENDT or other third parties serve as financial intermediaries or custodians of your ZENDT.

While the software has undergone beta testing and continues to be improved by feedback from the user and developer community, we cannot guarantee that there will be no bugs in the software. You acknowledge that your use of this software is at your own discretion and in compliance with all applicable laws.

You are responsible for safekeeping your passwords, private key pairs, recovery keys, PINs and any other codes you use to access the software. IF YOU LOSE ACCESS TO YOUR ZENDT WALLET OR YOUR ENCRYPTED PRIVATE KEYS AND YOU HAVE NOT SEPARATELY STORED A BACKUP OF YOUR WALLET AND CORRESPONDING PASSWORD, YOU ACKNOWLEDGE AND AGREE THAT ANY "ZNDT" YOU HAVE ASSOCIATED WITH THAT WALLET WILL BECOME INACCESSIBLE. All transaction requests are irreversible.

The authors of the software, employees and affiliates of Zendt cannot retrieve your private keys or passwords if you lose or forget them and cannot guarantee transaction confirmation as they do not have control over the Zendt network. To the fullest extent permitted by law, this software is provided "as is" and no representations or warranties can be made of any kind, express or implied, including but not limited to the warranties of merchantability, fitness or a particular purpose and noninfringement.

You assume any and all risks associated with the use of the software. In no event shall the authors of the software, employees and affiliates of Zendt and copyright holders be held liable for any claim, damages or other liability, whether in an action of contract, tort, or otherwise, arising from, out of or in connection with the software. We reserve the right to modify this disclaimer from time to time.

Zendt does not hold your keys for you. We cannot access accounts, recover keys, nor reverse transactions. Protect your keys and always check that you are on correct URL. You are responsible for your security.
